

Jesus calling Peter and Andrew to follow him

Rest From My Journey

***Troubles and trials
In this life are many
And long is the road
That leads me home
Often I find
I know not the way
As on my journey
I travel along***

*But I fret not or fear not
For I've a companion
Who's always beside me
And the way to him is known
My trust is in him
Like a flock to their Sheppard
To find them green pasture
And lead them back home*

*Yes I'll trust in Jesus
He's gone on before me
He's fought all my battles
He's defeated my foes
A mansion is waiting
For this weary traveler
There will be rest from my journey
There will be rest for my soul*

*Often I find
That I grow so weary
As the mountains I climb
Grow higher it seems
And just when I feel like
I can't walk no farther
He picks me up in his arms
And carries me*

*Yes I'll follow Jesus
For he's gone on before me
He's fought all my battles
He's defeated my foes
A mansion is waiting
For this weary traveler
There will be rest from my journey
There will be rest for my soul
