

### *COME SEE*

*Come see the newborn babe lying in a manger  
Come see his tiny hands reaching for his mother  
Come see the SON of GOD housed in the flesh of man  
Come and see won't you come and see*

*Come see the young man walking down a dusty road  
Teaching of his Father healing as he goes  
Come see him free the soul once held bound in sin  
Come and see won't you come and see*

*Come see the Lamb of GOD hanging on that rugged tree  
Come see the blood he shed the price he paid for me  
Come see his outstretched arms calling to one and all  
Come and see won't you come and see*

*Won't you come see the one they call Jesus  
Come see the one who died for me  
Come see the bridge back to our FATHER  
Hanging there on Calvary*

*Come see the empty grave the place that CHRIST once laid  
Come see the one that death could not hold down  
Come see the one who holds the keys to death hell and the grave  
Come and see won't you come and see*

*Come see him in the sky  
Come hear the Angels sing  
Come see him as he fly's  
Come hear the trumpets ring  
Come see him as he comes to call his children home  
Come and see won't you come and see*

*Come see the newborn babe lying in a manger  
Come see his tiny hands reaching for his mother  
Come see the SON of GOD housed in the flesh of man  
Come and see won't you please come and see
