

Reconciled Handshake between an Aussie & Aborigine Person

Reconciled

***The earth quaked
The thunder rolled
Lightning split the sky
And darkness filled the world
The day that Jesus died
Over in the temple
The holy veil was torn
Separation between God and man
Was to be no more
For over on Golgotha
Heaven's lamb was slain
Now the awful price of sin
Has finally been paid
The bridge back to the father
Had been built for you and me
Through God's son Jesus
On a hill called Calvary
