

### *DREAMS*

*Once climbed Mt. Everest  
 Scaled her northern face  
 I've looked upon the Titanic  
 In her final resting place  
 I traveled to Jerusalem  
 To see a king be born  
 I fought with Custer's Army  
 At the battle of little big horn  
 I've walked the streets of Paris  
 Saw the Jungles of Peru  
 I watched them build the pyramids  
 And sailed the oceans if blue  
 I once saw a dinosaur  
 Before they were no more  
 I traveled with Columbus  
 To America's unknown shore  
 I've been a star in movies  
 Sung at Carnegie Hall  
 And once I danced with a queen  
 At a new years ball  
 What? You say I'm crazy  
 I've not done these things  
 I say I've done them one and all  
 But  
 Only in my dreams  
 See that's the beauty of our dreams  
 They're not bound by time and space  
 Today I can be in Eden  
 Tomorrow in some other place  
 There's no place we can't go  
 Or nothing we can't see  
 If we'll only just relax  
 We can go there in our dreams*
