

Father Pour Out Your Spirit Again

*Father pour out your spirit like you did in days of old
Fill us with your power give us strength to be bold
As we're called to take the gospel to a world lost in sin
Father pour out your spirit again*

*Spirit comes upon us like a mighty rushing wind
Kindle a fire down within
Lord we're not called just to run we're called to win
Father pour out your spirit again*

*For without your spirit we are nothing
And without your spirit we're sure to fall
And without Jesus living within
There is no hope at all*

*Lord come and fill me that others they may see
The light of Jesus shining out from me
And may my light shine forth
Through this darkened land
Father pour out your spirit again*

*For without your spirit I am nothing
Without your spirit I'm sure to fall
Without Jesus living in me
I surely have no hope at all*

*Father pour out your spirit like you did in days of old
Fill us with your power give us strength to be bold
As we're called to take the gospel to a world lost in sin
Father pour out your spirit again*
